

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 19, 1995

SUBJECT: **SB 941 - HB 783**

This bill, if enacted, will direct the Department of Transportation to develop and construct noise abatement structures along the segment of I-40E at Old Hickory Boulevard that is proposed to be widened.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures of \$544,000 from the highway fund if the intent is to provide noise abatement for the affected subdivision (Lake Park). This estimate is based upon a study done by the department of transportation. The cost per residence was estimated to be \$34,000. The cost of providing noise abatement for the entire seven miles of the project is estimated to be \$14 million.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
